the rat pulled
the mole out
of the water i
like the rat
better then
the mole

I like mole
because he is
kind and
sharing

The Wind In the Willows

Chapter 1: The River Bank

I like the mole
cause she
seems very
nice to be
with

**Walrus
Write in
Blue**

**rat is best
because he is
kind and he is
not mean**

I like this story and
my Favourite
character is the
mole because he is
funny and he talks
to himself and also
he saying bad
things to him self

**i lkie mole
cause she
help out and
cleans for rat**

What did you think of this story and its Characters?
Who did you like best and why?

the mole is awsome
and funny because
when I red the book
I laughed because
therer were funny
parts

**the rats
and the
mole is
friends.**

I also like mole
because he likes to
clean and I think he
is poor so I feel bad
for him I also dont
really like him
because he is mean
and yeah -Isla-May

I liked the rat the
best because even
when mole ruined
everything he still
forgave him

**I like rat he is
kind caring
and not mean**

I liked this story
because it's funny
and it's probably
about friendship
and helping others
when they need
help you can help
them-Khaing may

the story was
so cool and
the charicters
are so cool the
rat is the best

I think that the story
was detailed and
the water rat was
my favourite
character because
he helped the mole
and was so kind
after what the mole
did-Jilliane

I like how the
language they use
and how detailed
the characters are
and I like the water
rat because he is
loyal and so
kind-Jilliane

**I like mole
cause she
is nice**

**mole is a
girl that is
nice**

I like chapter
one because
there tell us
what kinder
person there
are

I like the mole
because he is kind
of energetic and
because he is
truthful which
means he is
probably a loyal and
he is kind of mean
-Isla

I noticed the
language in it but
our teacher told us
its just what they
used so I like the
book.

I like this story
cause of its text and
it has detailed text
and it is cool to read
other words that i
don't know and i
like chalenges

**The rat and
the mole can
become
friends but
the mole is
not intrested**

I didn't like
mole because
he was unkind
to everyone
and he is poor

**The Rat was
really nice and
kind and tried
to be nice as
possible to
the mole**

I like the story
because it was
very detailed

**I like the rat
because of
how kind he
was to the
mole and how
polite he was**

**Rat is one of
the good
persons
because he is
nice and kind**

i like chapter 1
because it
talks about
the mole

I also like
mole because
he cleans and
works for
himself-
KhaingMay

Ducks write in yellow

LONELY and EXTREMELY GLOOMY rat as a child would act like that because he thought that rich people are entitled. So he pick pocketed rich people and robbed the queen and moved

the human gave him some food. rat ate the food then ran to tell everyone what he saw. he was amazed.

the rat is nice and kind and thoughtful because he saved the possum

On e day rat was sad so he went to his friends house but he was not there. So rat went to the beach and swam and bought a kayak. Then he bought ice cream and ate it and felt good.

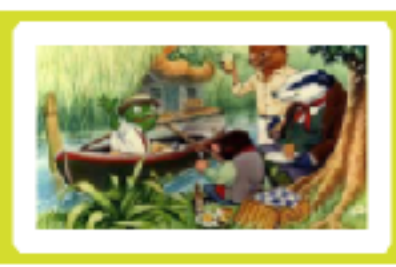

Rat talks about his story of him and his friend toad he talked about his life and what he has been doing with his friend toad he is talking about how about how he succeeded.

Rat is a kind person. And most of the time rat is polite to people he just met. Even when someone is bad to rat but does not mean to he still forgives and does not have a fuss.

The Wind In the Willows

Chapter 1: The River Bank

P 16: Rat tells Mole stories about his life.

Write a 3 sentence starter to his story here. Share with the group and decide if these could be true or not based on what we know from the book.

One day rat went to the town. Compared to the human rat that was small he wasn't able to make friends. Then a human child having a walk then she saw rat now rat made a friend

Rat is a poor man that has a friend mole. He works at seven -eleven. He gets \$30 dollars per week. He saved up his money so he can buy a big house

Rat was jogging with mole on a sunny day and rat was telling mole about how he got stuck in a trap then escaped.

Rat was jogging with mole then told him how he got into a trap then he escaped.

Rat was lonely and had no friends to play with he was going to jump on spikes and impale him self but then he got beaten up and died. And the guy that bait him up threw him in the sow's, and d

one day a rat went on a run and saw a mole then the rat went to the mole and took him to his house because the

Rat talks about his life that he had to work himself. If he had been talking to Mole He should've work that time. He

Walrus Write in Blue

the moles life is good but it is hard he has to work for himself and he has no friend just the rat that it why his life is hard. even with all that the mole still loves her life she is greatful has one

the rats life is great he goes every were he goes in a boat and he is happy that he has one he has no friends so he trys to look for the perfect one and he found his friend the mole

Rat was walking with mole one day and they were talking about how he got stuck on an island where he had to swim his way back to land oyiuh8ytth

Rat was walking down at the beach with mole and was talking about what happen in his life and how he got stuck on an island

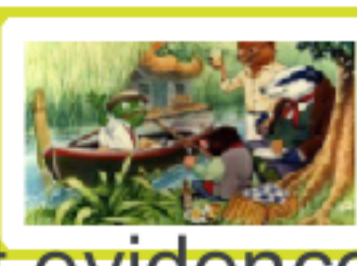

In the dark forest ,rat had just been on a walk in the forest . After a few minutes of walking back home, rat noticed that he got lost! Ever since then , rat learned how to swim and survive.

What was your first impression of Toad? What evidence from the book supports it.

I liked Toad because mole and rat loved messing about in boats, but their friend Toad longs for the excitement of the open road

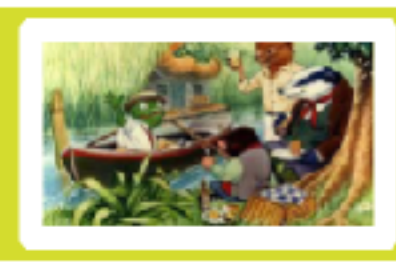

I think toad is a good character because he helps them

Toad's impression was good it was not like bad words when he was revealed as a new character

The Wind In the Willows

Chapter 2: The Open Road

"I wonder what new fad he has taken up now?" Rat P 21
Why were Toads Fads a problem?
What did Rat think of them.

The Wind In the Willows

Chapter 2: The Open Road

If you could give toad one piece of advise for the rest of the story what would it be?
